

SCHOOL HISTORY

Our school started education and training in 1989-1990 academic year with the name 'Karşıyaka Anadolu Lisesi'. Currently, the school has 1 principal, 2 vice principals, 44 teachers, 5 staff, 23 classrooms, two laboratories, one for physics and one for chemistry, an art room, a music room, a library, a canteen and a dining hall.

Established on ten acres of land, the school has enough green areas and basketball, volleyball and mini soccer fields for students to benefit from. In addition, our sports hall, which was put into service in September 2004, and our conference hall, which was put into service in 2006, are at the service of our students.

15 Temmuz Şehitler Anadolu Lisesi is a school that is easily selected wherever it goes and adopts the principle of raising students who take science as their duty. It is justifiably proud of its achievements in university entrance exams. Especially succeeding in 1998-1999 academic year ÖSS Turkey's 2nd and 32nd; in 2003-2004 academic year Turkey's 2nd, 4th and 35th; in 2004-2005 academic year Turkey's 400th; in 2005-2006 academic year Turkey's 13th, 24th and 42nd; in 2006-2007 academic year Turkey's 38th, 100th, 170th, 225th; 430th in LYS in 2016; 8th, 249th, 867th in LYS Turkey in 2017, and 456th in Turkey in 2018 our school confirmed its institutional identity. In the 2005 ÖSS ranking, it ranked first among Anatolian High Schools by far. In 2015-2016 academic year, it became the 2nd school with the highest number of net scores in YGS Mathematics and Literature among Anatolian High Schools in Izmir. Almost all of the young people who graduate from our school are placed in the field they want at the university in their last year or the following year after graduation.

The name of our school has been changed to 15 Temmuz Şehitler Anadolu Lisesi in accordance with the letters of İzmir Directorate of National Education dated 25/11/2016 and numbered 13348572, both as a remembrance of national unity and solidarity against the treacherous coup attempt on July 15 and due to the similarity of the name with Karşıyaka Lisesi.

Our school was included among the schools carrying out projects as stated in the letter dated 23.05.2018 and numbered 903.02.01/10060325 of the General Directorate of Human Resources of the Ministry of National Education.

Karşıyaka 15 Temmuz Şehitler Anadolu Lisesi, which is aware that raising the individuals desired by the information society of tomorrow is possible by revealing and developing individual talents, has achieved many successes at the level of both our

province and our country through sports and cultural activities. In the tournaments organized among Anatolian high schools, it has achieved and continues to achieve success worthy of its name in sports activities every year.

There is an interactive board in every classroom and there is unlimited internet access.

We attach great importance to the use of technology in our school. For this reason, we believe that we are doing good things in implementing active learning methods and the new curriculum program. We also attach importance to keeping our school's web page up to date. We are planning the future to do better things.
